

## **Welcome to celebrate Sunday service in Saron church.**

Sunday service is a central part of our congregational life, and it constitutes a meeting between God and people. Every participant is a contributor and co-creator of the service, to honour God and to build up each other spiritually.

### **Children**

If you bring babies or toddlers you may choose to sit in the annex. It is designed so that the children may play. During parts of the service a glass wall is unfolded between the annex and the main room to abate any noise. Older children are welcome to attend Kids' Church two stairs down.

### **Communion**

All who wishes to come closer to Jesus are invited to receive communion. During the communion ceremony certain texts are read in unison. The texts are displayed on big screens for anyone who wishes to join in. Before receiving bread and wine we greet each other with the Lord's peace, to manifest our unity and communion. The bread is gluten free and the wine non-alcoholic.

### **Response and sending**

During the distribution you are offered to respond to God. You can do this through receiving bread and wine, joining the worship and songs of praise or by lighting a candle symbolizing your prayer at the candle station. In the chapel under the stalls you may receive personal intercession. The intercessors are entrusted by the congregation. Beside the organ there is a station where you may receive a blessing into your life and a cross signed on your forehead with oil. To finalize the service, the Lord's blessing is spoken, and the participants are being sent out into the upcoming week.

### **Church coffee**

After the service everyone is invited to have coffee and sandwich. If you do not know with whom to have coffee, feel free to sit by the table marked with an M. At that table you can be sure people will join you.

If you have questions, regarding translation or anything else, feel free to contact the ushers at the main entrance of the church room.
